Welcome the next generation of railroaders at the AREMA 2009 Annual Conference & Exposition. This event has been extremely successful in the past and we plan to make this year's event even better!

This event will provide:

- Prospective railroaders the opportunity to learn about the rail industry and meet industry representatives.
- Industry representatives the opportunity to welcome the next generation to the railroad industry and recruit new employees.

Schedule

Monday, September 21, 2009

2:00 PM – 3:30 PM	Panel discussion involving 5 pre-selected industry professionals (For prospective railroaders)
3:30 PM – 5:00 PM	Reception to welcome participants and network (For industry professionals and prospective railroaders)
