

SECTION 9 - POWER SUPPLY

<u>Part</u>	<u>C</u>	<u>Type & Subject</u>	<u>Pages</u>	<u>Status</u>
<u>9.1 Recommended Batteries</u>				
9.1.2	38-3	Recommended Design Criteria for a Lead Acid Stationary Storage Battery (Positive Plates of Planté Construction)	4	Reaffirmed 2015
9.1.3	38-3	Recommended Design Criteria for a Lead Acid Stationary Storage Battery (Plates of Lead Alloy Pasted Construction)	4	Reaffirmed 2015
9.1.4	38-3	Recommended Design Criteria for Valve Regulated Battery: Lead Acid	4	Reaffirmed 2015
9.1.5	38-3	Recommended Design Criteria for a Lead Acid Stationary Storage Battery (Plates of Lead Alloy Tubular Construction)	4	New 2016
9.1.15	38-3	Recommended Design Criteria for Nickel Cadmium Pocket Plate or Fiber Plate Alkaline Storage Battery	4	Extended 2015
9.1.16	38-3	Recommended Design Criteria for Valve Regulated Battery: Nickel-Cadmium	4	Revised 2015
9.1.26	38-3	Recommended Design Criteria for an Air Alkaline Depolarized Primary Battery, Non-Renewable Gel Type	2	Revised 2011
9.1.30	38-3	Recommended Functional Guidelines for Battery Applications	12	Revised 2009

SECTION 9 - POWER SUPPLY (Cont'd)

<u>Part</u>	<u>C</u>	<u>Type & Subject</u>	<u>Pages</u>	<u>Status</u>
<u>9.2 Recommended Battery Chargers</u>				
9.2.1	38-3	Recommended Functional/ Operating Guidelines for a Constant Voltage Battery Charger	1	Reaffirmed 2018
9.2.5	38-3	Recommended Functional/ Operating Guidelines for a Constant Current Battery Charger	1	Reaffirmed 2018
9.2.6	38-3	Recommended Functional/ Operating Guidelines for a Battery Charger	2	New 2017
9.2.7	38-3	Recommended Functional/Operating Guidelines for a Controlled Variable Voltage and Current Battery Charger	1	New 2016
<u>9.4 Recommended Solar Power Systems</u>				
9.4.1	38-3	Recommended Guidelines for the Application of Solar Power Systems	7	Reaffirmed 2018
9.4.2	38-3	Recommended Functional/ Operating Guidelines for Solar Power Systems	7	Revised 2011
9.4.3	38-3	Recommended Functional/ Operating Guidelines for Fuel Cell Power Systems	5	New 2019
<u>9.5 Recommended Instructions</u>				
9.5.1	38-3	Recommended Instructions for Storage Batteries	6	Revised 2019
9.5.2	38-3	Recommended Instructions for Maintenance of Vented Nickel- Cadmium Batteries	1	Reaffirmed 2016

SECTION 9 - POWER SUPPLY (Cont'd)

<u>Part</u>	<u>C</u>	<u>Type & Subject</u>	<u>Pages</u>	<u>Status</u>
9.5.3	38-3	Recommended Instructions for Maintenance of Stationary Flooded Lead-Acid Storage Batteries	1	Reaffirmed 2016
9.5.4	38-3	Recommended Instructions for Maintenance of Valve-Regulated Lead-Acid (VRLA) Storage Batteries	1	Reaffirmed 2016
9.5.5	38-3	Recommended Instructions for Disposal and Recycling of Batteries	9	Reaffirmed 2009
9.5.6	38-3	Recommended Instructions for Installation and Maintenance of Stationary Lead-Acid Storage Batteries	11	Revised 2014
9.6.1	38	Recommended Guidelines for the Application of Fuel Cell Power Systems	4	New 2019
